To whom it may concern,

I am writing in my capacity as Market Relations Manager at GCDI S.A. (the “Company”) with regard to the private corporate bond underwritten by Argentum Investments V LLC (“Argentum Investments”), amounting to the sum of USD 6,000,000 with a maturity date on December 31, 2022 (the “Corporate Bond”), as duly informed by means of the relevant event posted on the National Securities Commission (CNV)’s Autopista de la Información Financiera (AIF, Financial Information Highway) on April 6, 2021, under ID No. 2730883, which was partially repaid, as informed by means of the relevant event posted on the National Securities Commission (CNV)’s *Autopista de la Información Financiera* (AIF, Financial Information Highway) on March 4, 2022, under ID No. 2860639.

Therefore, this is to inform you that the Company and Argentum Investments have agreed to set a forbearance period on the maturity date of this Corporate Bond, and the main consequence thereof, among others, is the non-declaration of a breach event and/or the acceleration of such documented loan. This forbearance period ends on January 10, 2023.

Sincerely,

Daniel Antúnez
